

Suzuki GSX 400 (600) pre 82 junior race bike for sale \$7000

This bike was 4th overall in last year's Southern Classic in the pre 82 junior class. It will be at this year's event at Levels. I now have too many race bikes and this one gets the least use as the pre 82 junior class is not as strong as it used to be in the North Island. This is an easy to ride bike with a good spread of power up to just over 60bhp at the rear wheel.
